DESSERT CAFE

*Hey there, dessert lovers! I'm the Pastry Chef & Chief Artist at P.U. Dingding. Welcome to my delectable world of desserts, pastries, and contradictions. Where things are a little familiar, a little unexpected, a little old school, a little contemporary, a little science, a little art...where all the littles add up to a whole lot of great!*

*I've been honing my skills and techniques for over two decades now, and it's been a sweet, sweet adventure. From whippin' up tiny intricate sweet treats for the Queen's garden party in '04 to serving desserts for the Princess of Malaysia, I've soaked up inspiration from my travels all around the world. Now here I am, enjoying my biggest moment yet – being able to plate up my memories for you to dig into!*

*So, whether you're here for a taste of nostalgia or an adventure in flavour, you're in the right place. Let every bite at P.U. Dingding bring a smile to your face and warmth to your heart. Here's to creating new memories together, one delicious dessert at a time.*

### **Nakul Kulkarni (aka Cakehead)**

*P.S. Here's the icing on the cake. Indulgence shouldn't come at the cost of health, so we use only the finest ingredients in our desserts. From cutting down on sugars to using unprocessed sugars wherever possible to real chocolate and the real deal whipping cream instead of whipped toppings, we make sure every bite is as wholesome as it is delicious.*

*All prices are inclusive of GST.*
